

# **SUNGARD GL WIN**

GL WIN is a multi-market, multi-asset, modular trading platform. The GL WIN workstation is designed for complete order life-cycle management, from order sending to execution supervision. Including features such as real-time performance management, P&L and a complete range of data and news feeds, GL WIN meets the electronic trading requirements of proprietary traders, brokers and risk managers. Furthermore, through various add-on trading modules, GL WIN can be customized for use by spread traders, arbitrageurs and hedge fund users. When combined with the reach of the SunGard Global Network (SGN), users can access over 170 global destinations from one screen.

For a detailed listing of the prices associated with GL WIN, please see the schedule below. Feel free to contact an Advantage sales representative with any questions at 312.347.4800.

<b>GL Trade Pricing*</b>	
<b>GL WIN</b>	\$550.00 a month for the trading screen which includes access to CME Group. Additional markets are available for small incremental costs.
