Does your trading qualify as bona fide hedge transactions as defined under CFTC Rule 1.3?

Yes No

If you replied yes, CFTC Rule 190.06(d) requires Advantage provide you the opportunity to specify, in the unlikely event of Advantage's bankruptcy, whether you prefer the trustee automatically liquidate open futures and options contracts held in your bona fide hedge account or the trustee to request instructions from you concerning your preferred disposition of open contracts by transfer or liquidation. Please check applicable box. If neither is checked, you will be deemed to have elected to have all positions liquidated. This instruction may be changed at any time by written notice to Advantage.

- Liquidate all open commodity contracts without first seeking instructions from or on behalf of Client.
- Attempt to obtain instructions with respect to the disposition of all commodity contracts.
